**UNITED STATES DISTRICT COURT  
SOUTHERN DISTRICT OF CALIFORNIA**

SILVIA MORALES, an individual; and  
ROES 1-50 on behalf of themselves and in  
a representative capacity for all others  
similarly situated and on behalf of the  
general public,

Plaintiff,

v.

GE OSMONICS, INC., a corporation, GE  
IONICS, INC., inclusive

Defendant.

Case No. 10-cv-01045 JM (WVG)

**ORDER GRANTING FINAL APPROVAL  
OF CLASS ACTION SETTLEMENT**

On December 21, 2011, Plaintiff filed a motion seeking final approval of the settlement reached between Plaintiff and Defendants (the “Agreement,” “Settlement Agreement” or “Settlement”). The court, having considered all papers filed and proceedings had herein and otherwise being fully informed of the premises and good cause appearing therefore, orders that:

1. All terms used herein shall have the same meaning as defined in the Settlement.
2. This court has jurisdiction over the subject matter of this litigation and over all parties to this litigation, including the Named Plaintiffs and Class Members.
3. The court finds that the Settlement has been reached as a result of intensive, serious and non-collusive arm’s-length negotiations. The court further finds that the parties have conducted extensive and costly investigation and research, and counsel for the parties are able to reasonably

1 evaluate their respective positions. The court also finds that the Settlement, at this time, will avoid  
2 additional substantial costs, as well as avoid the delay and risks that would be presented by the  
3 further prosecution of the Action.

4 4. The court finds that distribution of the Notice directed to the Putative Class Members  
5 as set forth in the Stipulation and the other matters set forth therein have been completed in  
6 conformity with the Preliminary Approval Order, including individual notice by first class mail to all  
7 Putative Class Members who could be identified through reasonable effort. The court finds the  
8 Notice sent to all Putative Class Members provided due and adequate notice of the proceedings and  
9 of the matters set forth therein, including the proposed settlement set forth in the Stipulation, to all  
10 persons entitled to such Notice, and the Notice fully satisfied the requirements of due process. At  
11 the time of this order, the parties have represented that 156 Putative Class Members have made  
12 claims under the Settlement, constituting a claim rate of almost 40%. The amount of money claimed  
13 at this point is \$330,057.59. No Putative Class Members objected to the Settlement and no Putative  
14 Class Members have requested exclusion from the Class.

15 5. This court hereby approves the settlement set forth in the Stipulation and finds that  
16 the Settlement is, in all respects, fair, adequate and reasonable, and directs the parties to effectuate  
17 the Settlement according to its terms. The court has reviewed the monetary recovery that is being  
18 granted as part of the Settlement and recognizes the significant value of that monetary recovery to  
19 the Class.

20 6. For purposes this Final Judgment and for settlement only, the court hereby certifies  
21 the Class.

22 7. The court hereby appoints the Named Plaintiff as class representative for the Class.

23 8. The court hereby appoints Hurst & Hurst as counsel for the Class.

24 9. As of the Effective Date, the Released Claims of each and every Class Member are  
25 and shall be deemed to be conclusively released as against the Released Parties, including for any  
26 injunctive or declaratory relief. All Class Members as of the Effective Date are hereby forever  
27 barred and enjoined from prosecuting Released Claims against the Released Parties.  
28

1           10.     The court hereby awards attorneys' fees and costs (the "Fees and Costs Award") in  
2 the amount of \$250,000. The Fees and Costs Award fully satisfies all fees and costs incurred by the  
3 law firms that represented the Named Plaintiff and Putative Class Members in this proceeding,  
4 including Hurst & Hurst. No other attorneys or law firms shall be entitled to any award of attorneys'  
5 fees or costs from GE in any way connected with this Action.

6           11.     The court hereby approves a Service Award to the Named Plaintiff in the amount of  
7 \$10,000. The court hereby orders the Claims Administrator to distribute the Service Award to the  
8 Named Plaintiff in accordance with the provisions of the Settlement.

9           12.     The court hereby approves claims administration fees to the Claims Administrator in  
10 an amount up to \$13,500.

11           13.     The court hereby orders the Claims Administrator to distribute the Gross Settlement  
12 Awards in accordance with the provisions of the Settlement.

13           14.     After administration of the Settlement has been completed in accordance with the  
14 Settlement and all amounts calculated, and in no event later than 180 days after the Effective Date,  
15 GE shall file a report with this court certifying compliance with the terms of the Settlement.

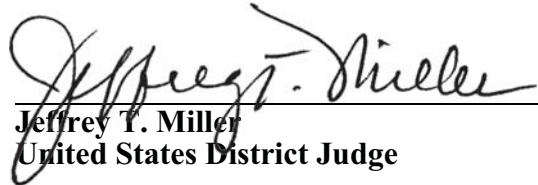

16           15.     The Stipulation and Settlement are not an admission by GE or any of the other  
17 Released Parties, nor is this judgment a finding, of the validity of any claims in the Action or of any  
18 wrongdoing by GE or any of the other Released Parties. Neither this order, the Stipulation, nor any  
19 document referred to herein, nor any action taken to carry out the Stipulation is, may be construed  
20 as, or may be used as an admission by or against GE or any of the other Released Parties of any  
21 fault, wrongdoing or liability whatsoever. The entering into or carrying out of the Stipulation, and  
22 any negotiations or proceedings related thereto, shall not in any event be construed as, or deemed to  
23 be evidence of, an admission or concession with regard to the denials or defenses by GE or any of  
24 the other Released Parties and shall not be offered in evidence against GE or any of the Released  
25 Parties in any action or proceeding in any court, administrative agency or other tribunal for any  
26 purpose whatsoever other than to enforce the provisions of this Final Judgment, the Stipulation, or  
27 any related agreement or release. Notwithstanding these restrictions, any of the Released Parties  
28 may file in the Action or in any other proceeding this Final Judgment, the Stipulation, or any other

1 papers and records on file in the Action as evidence of the Settlement and to support a defense of res  
2 judicata, collateral estoppel, release, waiver or other theory of claim preclusion, issue preclusion or  
3 similar defense as to the Released Claims.

4 16. Without affecting the finality of this Final Judgment in any way, this court hereby  
5 retains continuing jurisdiction over the interpretation, implementation and enforcement of the  
6 Settlement and all orders and judgments entered in connection therewith.

7 17. If the Settlement does not become final and effective in accordance with the terms of  
8 the Settlement, resulting in the return and/or retention of the Settlement Fund to GE consistent with  
9 the terms of the Settlement, then this Judgment and all orders entered in connection herewith,  
10 including any order certifying the Class, appointing class representatives or class counsel and/or  
11 permitting Named Plaintiffs to file a second amended class action complaint, shall be rendered null  
12 and void and shall be vacated.
